Chamber of Commerce Swiss-Israel

### **Dr. Eli Opper**

Chief Scientist  
Ministry of Industry, Trade & Labor, Israel

Dr. Opper is the Chief Scientist in the Ministry of Industry, Trade and Labor of Israel. Before his appointment, Dr. Opper was a partner at Giza Venture Capital, after a 27 year career at Rafael, Israel's leading armaments development authority. In the last decade in Rafael he held the positions of Chief of Staff, VP of R&D, VP of Advanced Topics and General Manager of the Electronic Systems Division.

Dr. Opper served as a member of numerous professional committees, published papers and is lecturer in the areas of computers, communications, electronics, R&D and management at academic institutions and professional seminars all over the world. He has served as a director and chairman of many companies and as a member of the boards of public organizations.

Dr. Opper held, while at Rafael, a research degree equivalent to a full Professor and holds B.Sc. and M.Sc. degrees in Electrical Engineering, from the Technion - Israel Institute of Technology in Haifa, as well as a PhD in Computer Engineering from the University of Texas at Austin.
